Mark 10:13-16

*Pursing a Christ-like Heart for Children*

1. How did this week's sermon convict, challenge, or encourage me?
2. What are some biblical principles from Sunday's sermon or from the rest of scripture that should drive the way we lead our children (or future children)?
3. Our covenant reads: "We will strive to bring up our children and any under our care in the nurture and admonition of the Lord." How practically can we lend a hand in the spiritual growth of other member's children? The children in our community?
4. Jesus tells the disciples "do not hinder them, for to such belongs the kingdom of God." How does the way that we treat children reflect what we believe about the gospel?
5. On Sunday, we heard that we are to have faith like a child. What characteristics do we find both in children and people of faith in the Bible? And how do we walk as children of faith everyday?
6. In light of Ephesians 1:3-6 and James 1:27, why should the church be actively pursuing an adoption culture?
